SRFC is committed to follow the Canadian Centre for Ethics' "In sports Rule of Two" as described and outlined in the "commitment to ethical coaching in Canada" document. The Rule of Two states

there will always be two screened and NCCP trained or certified coaches with an athlete, especially a minor athlete, when in a potentially vulnerable situation. This means that any one-on-one interaction between a coach and an athlete must take place within earshot and view of the second coach, with the exception of medical emergencies. One of the coaches must also be of the same gender as the athlete. Should there be a circumstance where a second screened and NCCP trained or certified coach is not available, a screened volunteer, parent, or adult can be recruited.

This rule serves to protect minor athletes in potentially vulnerable situations by ensuring that more than one adult is present. Vulnerable situations can include closed doors meetings, travel, and training environments amongst others. Organizations must create and implement, policies and procedures, in a sustainable, phased and measurable process, that limit the instances where these situations are possible.

In accordance with our Coach Education Policy and Canada Soccer Standards, is mandatory for all of our coaches and team personnel to complete the "Respect in Sport Activity Leader/coach" program.

According to the SRFC's Screening Policy and Canada Soccer Standards all of our coaches and team personnel have completed proper Background Screening, including a Criminal Record Check (CRC) with Vulnerable Sector Check (VSC) or Enhanced Police Information Check (E-PIC) within the last 3 years.
