

## Reducing Barriers to Participation

### SRFC Subsidy

At SRFC, we have a subsidy program to help alleviate the financial burden on players coming from low income households.

The SRFC Subsidy program helps alleviate financial burden for players coming from low income households. Subsidies are available to eligible full time players registered with SRFC for the current year. In some instances, the entire seasonal fee is subsidized by SRFC.

### Informal Partnership

We do not have a formal partnership with any organization at the moment – with that said, we do our best to accommodate all requests and ensure each child has the opportunity to partake in organized soccer. We evaluate programs offered in the market to ensure we can provide the best guidance for requests we cannot fulfill in house.

### Special Needs Programs

We currently do not have a special needs program but we want to ensure every child has the opportunity to participate in organized soccer. As such, when approached with a request for such a program, we provide detail on available programs, such as the Panther Stars program at North Mississauga SC.

### Girls Program

We currently do not have a girls program but we want to ensure every child has the opportunity to participate in organized soccer. As such, when approached with a request for such a program, we provide detail on available programs at other clubs, such as the Girls program at North Mississauga SC.
